How to write an Essay?

- I recommend visiting Dr. Michael Tooley's Philosophy Page. There, you will find detailed information on how to create and structure your essay.

Leadership Essay I

1. Read the article Software developers might be obsolete by 2030
2. Answer the questions:
3. What is the article about?
4. What is your reaction?
5. Thinking about yourself, what does it mean to be a successful leader of your career?

Leadership Essay II

600 – 1,000 words

1. Read the article Software developers might be obsolete by 2030
2. Write an essay with the topic: “How can you be a successful leader of your own career?”

- Use the article and everything else you learned/developed during the course to help you write the essay.
